

### Materials

- paper
- markers
- crayons

### A Make a calendar.

1. What chores do you do? When do you do them? Make a calendar.
2. Label the calendar. Include the month, dates, and days.
3. Think about your chores. Then write them.

### B Write about your calendar in your Project Notes.

### Project Notes

---

My chores:

---

---

---

Why it's important to do them:

---

---

---

### C Use your Project Notes to talk about your project with a partner.

Do you like your chores? Why or why not?
